Payment Terms:

- A 50% deposit is required prior to placing the order. The remaining balance is due 4 weeks before delivery
- Delays in payment will result in corresponding delays in production, delivery schedules and can effect delivery costs that may result in price change..

Notice:

- Deposits are non-refundable. If the order is canceled after production has begun, the customer is responsible for the full payment of the order, including any applicable shipping costs.

**Start of Production:**

- Production will only begin once the deposit, approved quote, and final dimensions have been received.

Changes to Orders:

- No changes can be made to the order once production has started.

Lead Time:

- The standard lead time for delivery to our warehouse is 12-14 weeks. Allow approximately two additional weeks for scheduling delivery to the job site.
- Lead times may vary depending on the product, with some items taking longer or shorter.
- Windo LLC is not responsible for delays caused by factors outside its control, including but not limited to acts of God, strikes, acts of war, supply chain disruptions, or blocked transportation routes.

Price Guarantee:

- Quotes are valid for 30 days. Prices are subject to change without notice after the 30-day period.

Exclusions from Quotes:

- The following are not included in quotes:
 - Sales tax (tax will be added if a resale certificate is not provided before the deposit is received)
 - Installation
 - Screens
 - Glazing and mulling
 - Delivery (final delivery costs will be added based on the size and location of the project)

Order Pick Up:

- Customer must pick up the order within 5 business days after client receives the notification of order arrival. Notification will be sent in form of email or text message.

Delivery (when included):

- Windo LLC will deliver to the first threshold of the site.
- The customer must ensure a clear and unobstructed path for the delivery personnel to safely access the delivery area, typically the garage.

Oversized Units:

- Windows larger than 40 square feet may require glazing or mulling to be done on-site. If Windo LLC is contracted for installation, this service will be included in the installation quote.

Customer Responsibility:

- It is the customer's responsibility to review and approve all information provided in the quote.
- Windo LLC is not responsible for measuring openings prior to ordering.

Product Warranty:

- All products come with the manufacturer's standard warranty (refer to the manufacturer's literature for details).

Glass Warranty:

- Glass is warranted against seal failure for a period of 5 years (refer to the specific glass manufacturer's warranty for details).

Labor Warranty:

- Windo LLC offers a 1-year labor warranty (refer to the labor warranty for full details) on products installed by Windo LLC.
